+ At the request of the American Embassy in Baghdad, FBIS has reinstated the embassy as a consumer of reportage on the Iran-Iraq War and the Arab-Israeli peace process despite a communications minimize. The cable from the embassy requesting reinstatement of the service noted that the request is a "compliment on the utility of" the FBIS product. (U/AIUO)

+ FBIS bureau in Seoul received a letter from the commander of the U.S. Army 501st Military Intelligence Brigade in Seoul thanking FBIS for its "support, analysis and timely information" during the Kum Il-song death rumor incident and the 30 December DPRK Supreme People's Assembly elections.
